CONSULTANCY RATES

We can supply experienced Oracle Insbridge consultants for your project, on an hourly, daily or weekly basis. Discounts are based on the level of man-hour commitment to the project.

We have different pricing grades based on the role and experience of the consultant that your project requires.

Consultant Level	Hourly
Oracle Insbridge RateManager Analyst	\$135
Senior Oracle Insbridge RateManager Analyst	\$155
Lead/Principal Oracle Insbridge Consultant	\$175

Expenses

Travel and accommodation expenses are not included in the prices listed above. We agree with you before project implementation on a certain level of expenses which are to be invoiced, if any.

CONSULTANT LEVELS EXPLAINED

Consultants must possess the following skills and knowledge according to their grade.

Senior Oracle Insbridge RateManager Analyst

Experienced on the Oracle Insbridge product utilized implementing multi-line rating projects. Has client facing experience and support services on consultancy projects. Ability to support work in progress, perform deployment procedures, and perform unit testing. Has experience with line of business directly related to your project.

Lead/Principal Oracle Insbridge Consultant

Substantial experience on the Oracle Insbridge product and related projects and in a consultancy/training role. Previous experience in project management and working in a range of high quality and relevant projects. Experience of leading or directing major, complex and business-critical projects; bringing genuine strategic insight.
