ORACLE INSBRIDGE TRAINING RATES

We can supply experience Lead Oracle Insbridge consultants for your customized training needs. Once we understand the level of training you need we can recommend a customized approach based on the price levels below.

We have different pricing levels based on the training that your staff requires.

Training Type	Std. Pack	2-Day Pack	3-Day Pack
Onsite Oracle Insbridge Customized Training	-	\$3,400	\$5,440
** Remote Oracle Insbridge Customized Training (Web)	-	\$2,380	\$3,808
New Oracle Insbridge Release Training (1/2 Day)	\$1,000	-	-

Participants to Trainer Ratio

All prices above have a max class size of 5 persons per trainer. If you have 6 to 10 participants then it will require another trainer to be present. This is due to the high level of involvement of the trainers and participants during lab times. This insures that maximum material is being comprehended during the training sessions.

**Remote Training

Remote training is limited to one person per trainer, due to the high level of involvement of the trainers and participants during the lab times it is better to have a one-on-one web session. This will allow for screen sharing and remote control to guide the participant, if needed.

Expenses

Travel and accommodation expenses are not included in the prices listed above. We agree with you before training on a certain level of expenses which are to be invoiced, if any.
